

# **36th Annual Conference #NAHD02021**

September 28-30, 2021 Pre-Conference Events: September 2-24, 2021

# FULL CONFERENCE PROGRAM

All times are Eastern Daylight Time. Session dates and times are subject to change

# **Pre-Conference Events**

**Igniter Sessions (Sponsored by Milliman MedInsight)** 

September 2, 2021, 2:00 PM - 2:20 PM

From Street Address to Geolocation: Building Claims Data

Infrastructure to Address Health Inequity

Affiliations

September 9, 2021, 2:00 PM - 2:20 PM

Hospitals and Homelessness: Creating a Reliable Indicator of Matthew Walton Homelessness Using Kentucky's Health Facilities & Services

Kentucky Cabinet for Health and Family Services Kentucky Cabinet for Health and Family Services

September 16, 2021, 2:00 PM - 2:20 PM

Surprise Billing: Colorado Lessons Learned Related to Out of Julia Tremaroli

Center for Improving Value in Health Care

September 23, 2021, 2:00 PM - 2:35 PM

Children's Use of Telehealth Services in Maine

Kimberley Fox MPA Yvonne Jonk, PhD

University of Southern Maine University of Southern Maine

Expanding Telehealth Adoption in Ambulatory Practices - A COVID-19 Telehealth Program

Melanie Cavaliere

Maryland Health Care Commission

# **September 24, 2021**

Forum on Preserving Secure and Sustainable Access to Healthcare Data

# 12:30 PM - 1:30 PM

1. Georg	iia's APCD: Background and Opportunities	Megan Denham Samantha Lie-Tjauw	Georgia Tech Research Institute Georgia Tech Research Institute
	ing from Early Experience in California: Building the Largest APCD	Jill Yegian PhD Michael Valle	OSHPD and Yegian Health Insights Deputy Director and Chief Information Officer, OSHPD
3 Mode	rnizing Access to Maryland's APCD	Mahlet "Mahi" Konjit-Solomon	Maryland Health Care Commission

Serving the Public's Data Needs while Protecting the Public's Privacy Needs, Moderator: Caprice Edwards, Organizer: Caprice Edwards, NAPHSIS, Sponsored by IBM

Watson Health

Panel Discussion

Caprice Edwards NAPHSIS Bureau of Vital Statistics, Ohio Department of Health

Devon Priddle

Onpoint Health Data

Sam Chick Karl Fernstrom MPH Minnesota Department of Health Washington State Health Care Authority (HCA) Lorie Geryk PhD

3:00 PM - 4:00 PM

# Analytics to Increase Revenue Streams and Opportunity, Moderator: Kenley Money, Organizer: Kenley Money, ACHI, Sponsored by IBM Watson Health

faceted approach using claims analysis with survey and stakeholder research	Kelsi West	The Institute for Health Policy and Practice at UNH
2. Please Pardon our Appearance: Data Renovations are Underway!	Kate O'Neill MPH Jessica Mendizabal	Green Mountain Care Board, State of Vermont Green Mountain Care Board, State of Vermont
3. Putting Health Data to Work to Support Healthcare Innovation	Mitesh Rao MD Dana Richardson	OMNY Health WHIO

# Symposium on Using Data to Address Healthcare Inequities and Their Causes

# 12:30 PM - 1:30 PM

Challenges and Opportunities in Sharing Sub-County     Hospital Discharge Data	Jennifer Howley Jessica Sagona	New Hampshire Environmental Public Health Tracking New Hampshire Environmental Public Health Tracking
2. From the Clinic to the Community: Can 'Big Data' from Routine Health Care Estimate Population Obesity Prevalence?	Stephen Mooney	University of Washington
3. Measuring Data Variation to Maximize Value	Sandeep Wadhwa MD MBA	3M

#### 1:45 PM - 2:45 PM

#### Race and Ethnicity in Health Data, Organizer: Amy Clary, Oregon Health Authority, Sponsored by California Health Care Foundation

	,	Manatt Health Manatt Health
2. Enhancing Race and Ethnicity Using the Bayesian Imputation in an All Payer Claims Database	Sanae El Ibrahimi	Comagine Health
2 Hoing HCCDC Coop Mix Poop Data in the Penarting of Health	Andrea Zumbrum	Center for Population Recod Methodologies

3. Using HSCRC Case Mix Race Data in the Reporting of Health Andrea Zumbrum Center for Population Based Methodologies Disparities Claudine Williams Maryland Cost Review Commission

## 3:00 PM - 4:00 PM

# Social Determinants of Health in Health Data, Moderator: Starla Ledbetter, Organizer: Starla Ledbetter, OSHPD, Sponsored by Comagine Health

Community Connector: The AHRQ Social Determinants of	Margaret Luo	Mathematica
Health Data Visualization Challenge Winner	Kelsey Skvoretz	Mathematica
2. Exploring Social Determinants of Health through	Wyatt Bensken	Case Western Reserve University
Administrative Claims and Large Healthcare Data	Martin Kosla	Michigan Data Collaborative
3. Social Determinants of Health during COVID-19 Pandemic	Alyssa Harris	Vizient, Inc. Vizient Inc

### 4:00 PM - 4:30 PM

[Networking] Spotlight Series Presentations - Meet the Experts

# **Spotlight Series Presentations**

# Available on-demand before, during and after the conference

Alabama's Centralized Data Repository for Abused Substances	Christopher Sellers Matthew Hudnall	Alabama Department of Mental Health University of Alabama
Drivers of Health Status Disparities: An Examination of Variation Using Population-Based Surveys, Sponsored by: Stern Consulting	Brian Williams David M.C. Stern Janine Molino	Stern Consulting LLC Stern Consulting LLC Brown University
Expanding the Utility of Health Information Exchange during COVID-19 and Beyond	Nikki Majewski Craig Behm	Maryland Health Care Commission Chesapeake Regional Information System for our Patients
Timeliness and Accessibility: Developing an Interactive Dashboard for Quarterly Updates on the Massachusetts Acute Care Hospital Inpatient Discharge Data	Christine Loveridge Brian Beaman	Massachusetts Center for Health Information and Analysis Massachusetts Center for Health Information and Analysis

# **Main Conference Sessions**

**September 28, 2021** 

11:00 AM - 11:30 AM

[Networking] Spotlight Series Presentations - Meet the Experts

11:30 AM - 11:40 AM

Opening Remarks and Welcome, Organizer: Norm Thurston, NAHDO

Norm Thurston PhD NAHDO, Executive Director

11:40 AM - 12:40 PM

Opening Plenary - Did COVID expose a health IT failure, shortfall, or was it an accelerant to health data optimization?, Organizer: Pat Merryweather-Arges, Project

Patient Care, Sponsored by Onpoint Health Data (Jenn Toms)

Panel Discussion

Patricia Merryweather-Arges
Helen Figge
MedicaSoft/MCPHS University
Mary Beth Conroy MPH
Josh Klemm
New York State Department of Health
Niall Brennan
Health Care Cost Institute
Craig Brammer
Claire Cravero
Datavant

12:50 PM - 1:50 PM

Health Databases to Track the Early Impacts and Needs Related to COVID-19, Moderator: Chris Krawczyk, Organizer: Chris Krawczyk, OSHPD

Confronting a Pandemic: Using National Claims Data to Trace the Arc of COVID-19 and Offer Actionable Insights	Robin Gelburd JD	FAIR Health
2. Integrating EMS and HIE data for COVID-19 response.	Andrew Naumann	Maryland Institute for Emergency Medical Services Systems

3. Lessons from Using Raw Data from the All Payer Claims Database for Tracking Healthcare Utilization During the Pandemic  The Next Evolution of Healthcare Cost Growth Benchmarking Models, Organizer: Kevin McAvey, Manatt, Sponsored by Peterson Center on Healthcare Panel Discussion  Kevin McAvey Joel Ario Jeremy Vandehey Vicki Veltri David Auerbach Oregon Health Authority Connecticut Office of Health Strategy Massachusetts Health Policy Commission  Health Databases and COVID-19: Adapting the Data, Responding to Trends, Moderator: Chris Krawczyk, Organizer: Chris Krawczyk, OSHPD  1. A Methodology to Identify and Analyze Hospitalizations with COVID-19 Pandemic  1. A Methodology to Identify and Analyze Hospitalizations with Behavioral Health Comorbidities- Preliminary Findings from the Brian Beaman  COVID-19 Pandemic  2. Telehealth Services Analysis under COVID-19 Katie Oberg Center for Improving Value in Health Care  3. Cancer Screening Trends during COVID-19 Pandemic and Return to Normal Provider Patterns  Innovations in Overcoming Technical Challenges to Meet Stakeholder Needs, Organizer: Julia Tremaroli, CIVHC  1. An Overview of the Environmental Public Health Tracking Program's Sub-county Efforts  2. Elattening the Curve: How Robust COVID-19 Hospital Admission Data Informed Palicy  3. Using Ali-Payer Claims Databases to Improve Physician Workforce Studies  4. Using Healthcare Claims Data (HCCD) For Analytics New York State Department of Health N

	Facilitating the COVID Pandemic Response with Healthcare Data, M  1. Identifying High Risk Populations for COVID-19 Vaccine Distribution	Anuj B Mehta MD	Pen Pigge, MedicaSort  Denver Health and Hospital Authority, National Jewish  Health, University of Colorado
	2. Public Health Opportunity: Using New Technology ICD-10 PCS Codes to Track Therapy and Outcomes of Administration of Remdesivir and Convalescent Plasma in COVID-19 Patients	Sam Hohmann	Vizient, Inc.
	Using The All Payer Claims Database to Aid Key Stakeholders with Vaccine Rollout	Brantley Scott	Utah Department of Health
	Using Linked Health Data Sets for Population Health Science (Joint	with IAPHS), Moderator: Sara Hallvik	, Organizer: Sara Hallvik, Comagine Health, Sponsored by
	Stern Consulting 1. Using Linked Electronic Health Records for Children's Health Disparities Research	Félice Lê-Scherban	Drexel University
	2. Variation in COVID-19 Mortality and Hospitalizations in Rural and Urban Communities.	Ernie Shippey Gladys Epting	Vizient, Inc. Vizient, Inc.
	3. Understanding Disparities in Hypertension: Multiple Data Sources and the Promise of Data Integration	Megan Todd	Philadelphia Department of Public Health
:20 PM	- 4:20 PM		
	Data Linkage, Moderator: Kenley Money, Organizer: Kenley Money, A 1. Enhancing Health Data at the U.S. Census Bureau: The Case of Utah's Emergency Department Encounter Data	• • •	u.S. Census Bureau
	2. Oregon APAC-Death Certificate Linked Data	Mary Ann Evans PhD MPH MS	Oregon Health Authority
	3. Using Linked All Payer Claims Data to Evaluate a Primary Care Intervention Addressing the Opioid Crisis	Michelle Hendricks	Comagine Health
	State Investments in Primary Care: Current State & Future Options,	Moderator: Jenn Toms, Organizer: So	nita Hav, Onpoint, Sponsored by California Health Care
	Foundation  Panel Discussion	Richard Slusky MBA FACHE	New England States Consortium Systems (NESCSO)
	Patiel Discussion	Karl Finison MA Dolores Yanagihara MPH Rachel Block	Onpoint Health Data Integrated Healthcare Association (IHA) Milbank Memorial Fund
1:30 PM	- 5:30 PM	aidan o Maria Ma	
	Special Plenary Event - Late Breaking Topics, Organizer: Craig Schn Panel Discussion	eider & Kevin McAvey  TBD	
-30 DM	- 6:30 PM		
.SU PIVI	- 0:30 PW	ther Tonice	

**September 30, 2021** 

[Networking] Meet the Expert: Spotlight Series Presentations and Other Topics

11:00 AM - 11:30 AM

[Networking] Virtual Coffee Shop

11:30 AM - 11:40 AM

Norm Thurston PhD

NAHDO, Executive Director

Mathematica Policy Research

#### 11:40 AM - 12:40 PM

Opening Plenary, Organizer: Craig Schneider, Sponsored by Molina Healthcare (Brian Monsen)				
	Opening Plenary	Organizer: Craig Schneid	or Spansared by Malin	a Haaltheara (Brian Moncan)

2. Measuring Potentially Avoidable Hospital Utilization among Suhui (Evelyn) Li PhD

Federal Data Leadership Panel - Connecting Data with Health

Micky Tripathi Allison Oelschlaeger Joel Cohen

National Coordinator for Health Information Technology Chief Data Officer and Director of the Office of Enterprise Data & Analytics

Director of AHRQ's Center for Financing, Access, and Cost

## 12:50 PM - 1:50 PM

Adopting Methodologies to Better Track COVID-19 and other novel phenomena, Moderator: Priyanka Surio, ASTHO, Organizer: Carl Letamendi, OHCS Utah

	How does COVID-19 Impact Statewide Readmission Trends in Massachusetts?	Bridget Gayer Zi Zhang	Massachusetts Center for Health Information and Analysis Massachusetts Center for Health Information and Analysis
	2. Arkansas Community-Level Analyses of COVID-19 Risk and Impact Assessment	Mike Motley Nichole Sanders PhD	Arkansas Center for Health Improvement ACHI
	3. Mining Municipal Wastewater for Pandemics, Public Health, and More	Aparna Keshaviah Xindi Hu	Mathematica Mathematica
ĸ١	Value Care & Avoidable Hospitalization, Organizer: Katie McGra	aves-Lloyd, Onpoint, Sponsored by Cali	fornia Health Care Foundation
	Global Pandemic, Local Priorities - The Impact of COVID-19 on a Statewide Initiative to Reduce Low Value Care.	Michelle Rockwell John Mafi MD MPH	Virginia Tech Carilion School of Medicine David Geffen School of Medicine, UCLA & RAND Corporation

3. Using Al-powered Low-Value Care Detection to Reduce Keith Somers HealthCorum Healthcare Costs
