AHRQ GRANT

2nd year of 3-year conference and educational grant

Purpose: improve statewide hospital and claims-based data sets

Goals:

- ▶ **Promote a uniform approach across state data agency practices and methods around the 3 domains**
- ▶ **Strengthen state-to-state applied learning partnerships and explore feasibility for shared analytics**

Domains:

- ▶ **1: Data quality assurance and improvement**
- ▶ **2: Data enhancement and acquisition (this year's topic)**
- ▶ **3: Share best practices in analytics and actionable reporting**

POLL QUESTION

After the break, there will be 3 breakout session options:

1. Obtaining Data on Missing Populations
2. Capturing Non-Claims Data for APMs
3. Linkage of APCD and Other Data Sources

Question:

Which of these sessions do you plan to attend?
