

Call for Abstracts

34TH

NAHDO 2019 DATA SUMMIT

JOIN US IN THE DIAMOND STATE
NOVEMBER 6-8, 2019
LITTLE ROCK, ARKANSAS

NAHDO's Program Committee is soliciting abstracts for concurrent sessions at our 34th Annual Meeting for the following topics:

- ◆ **Use of public data sets (Inpatient, ED, claims, vital statistics, registries) for Value-based Purchasing**
- ◆ **Linkage & Enhancement: Integrating clinical and administrative claims data**
- ◆ **Assessing social determinants of health using healthcare administrative data**
- ◆ **Commercial and Medicaid claims data for public health surveillance**

Abstract submissions not selected for a presentation will be considered for a poster presentation.

Abstract submissions should include the following information:

Title:

Author(s) & Affiliation(s):

Proposed Presenter:

Biosketch of Presenter (s): 100 words or less each

Theme: Select one of the above topics

Body: 500 words or less. No specific format is required but the abstract should include the objective, methods, findings, and significance.

NAHDO will be accepting submissions through May 6, 2019. Please send submissions to info@nahdo.org with the abstract submission 2019 in the subject line.
